(An Autonomous Institution)

## IMPLEMENTATION OF THE SCHEMES ANNOUNCED BY THE GOVERNMENT OF INDIA

Bhawanipur Global Campus (An Autonomous Institution) actively implements various schemes and initiatives announced by the Government of India to promote education, skill development, research, and social responsibility among students and staff. These include programs related to digital literacy, entrepreneurship, scholarships, environmental sustainability, sports and physical activity, health and hygiene, and national missions such as Swachh Bharat, Skill India, and Digital India.

Through workshops, awareness campaigns, training sessions, and active participation, the college ensures that the benefits of these schemes reach students and the wider community. Implementation of these initiatives not only enhances the academic and co-curricular experience but also fosters civic responsibility, skill development, and alignment with national priorities.
