

# BHAWANIPUR GLOBAL CAMPUS

(An Autonomous Institution)

## MEDIA CELL

The Media Cell of Bhawanipur Global Campus (An Autonomous Institution) plays a vital role in showcasing the college's activities, achievements, and initiatives to the public. It is responsible for managing official communications through various platforms, including social media, the college website, and press releases. The cell documents major events through photography, videography, and reporting, ensuring timely and accurate dissemination of information.

By maintaining a strong digital presence and promoting positive visibility, the Media Cell helps strengthen the institution's brand image. It also provides students with opportunities to develop skills in content creation, media management, and communication. Overall, the Media Cell serves as an essential link between the college and the wider community.
