This is to certify that the buildings in **Bhawanipur Global Campus (An Autonomous Institution)**, 60 B.L Saha Road, Kolkata- 700053, are provided with separate sewage disposal system with two vertical stacks waste pipe and soil pipe connected to wastewater manhole and soil water manhole respectively. The soil water is connected to specific tank from individual buildings, and the effluent of septic and wastewater is further connected to K.M.C sewerage system. The rainwater / storm water is carried through R. C. C surface drain to catch pit, catch pit to manhole pit and finally connected to The Kolkata Municipal Corporation (K.M.C) sewerage system leading to municipal sewer.
