AVAILABILITY OF QUALITY SANITARY NAPKINS AND SAFE DISPOSAL FACILITIES IN THE COLLEGE CAMPUS

Bhawanipur Global Campus (An Autonomous Institution) has installed sanitary napkin vending machines in the washrooms to ensure the easy and affordable availability of quality sanitary napkins for students and staff. These machines provide round-the-clock access, promoting menstrual hygiene and supporting the health and comfort of women on campus.

To ensure safe and environmentally responsible disposal, the campus is also equipped with designated disposal bins which help prevent unhygienic waste accumulation, reduce environmental impact, and maintain cleanliness within the premises.

Through these initiatives, the college fosters a supportive, hygienic, and eco-friendly environment for all women, promoting awareness, dignity, and wellbeing.
