FIRST AID, MEDICAL AND COUNSELLING FACILITIES IN A COLLEGE

Bhawanipur Global Campus (An Autonomous Institution) is committed to ensuring the health, safety, and emotional well-being of all students and staff. To support this, the institution provides well-structured first aid, medical, and counselling facilities on campus.

➤ First Aid Facilities:

- First Aid Boxes equipped with essential medicines, bandages, antiseptics, and emergency supplies are placed in key locations such as academic blocks, laboratories, the library, sports areas, and administrative offices.
- Trained staff members are designated to administer first aid in case of minor injuries or medical needs.
- Periodic replenishment of materials ensures that the first aid kits meet all immediate requirements.

➤ Medical Facilities:

- The college maintains a sick room / medical room for attending to minor illnesses, injuries, and emergencies.
- A qualified nurse/medical attendant is available during working hours to provide preliminary medical care.
- The institution has access to a nearby hospital / clinic for swift referral and advanced medical support when necessary.
- Emergency transportation, such as access to ambulance services on call, is available for quick transfer of patients in urgent cases.
- Regular health check-up camps, vaccination drives, and awareness programs on hygiene and preventive care are conducted for students and staff.

➤ Counselling Facilities:

- A dedicated Counselling Cell provides professional guidance and emotional support to students.
- A qualified counsellor / psychologist is available to address issues related to:
