(An Autonomous Institution)

## ALL-WEATHER APPROACH IN A COLLEGE

**Bhawanipur Global Campus (An Autonomous Institution)** ensures seamless accessibility throughout the year. The entrance of the college has a frontage of approximate 80 Feet wide road which gives a well-developed **all-weather approach** that includes paved internal roads, proper drainage systems, covered walkways, and well-lit pathways. These facilities enable safe and uninterrupted movement across the campus during rain, heat, or adverse weather conditions. Weather-resistant surfaces, barrier-free pathways, and regular maintenance further enhance convenience and safety for students, faculty, staff, and visitors.
