(An Autonomous Institution)

## VEHICLE PARKING

Bhawanipur Global Campus (An Autonomous Institution) provides a well-organized vehicle parking area within the campus to accommodate two-wheelers and four-wheelers of students, staff, and visitors. The parking zones are clearly demarcated, well lit, and monitored by security personnel to ensure safety and smooth movement of vehicles. Adequate signage, separate entry/exit points, and regular supervision help maintain orderliness and prevent congestion in the campus. CCTV monitoring also is available in the parking lot.
