 - Evaluation is carried out through reports, presentations, viva-voce, and feedback from the host organization.
 - Internship performance is assessed and graded as per the evaluation scheme approved by the Academic Council.
- **Compliance and Certification**
- Completion of the mandatory internship is a prerequisite for the award of the degree.
 - Students who fail to complete the internship satisfactorily must repeat it as per institutional norms.
 - Internship completion certificates issued by the host organization are verified and recorded by the Institution.
