

BHAWANIPUR GLOBAL CAMPUS

(An Autonomous Institution)

BARRIER-FREE ENVIRONMENT

Bhawanipur Global Campus (An Autonomous Institution) is committed to provide an inclusive and accessible **barrier-free environment** that supports the mobility and comfort of all students, including people with disabilities (PwD). The campus is equipped with ramps, handrails and wide corridors to facilitate easy movement across academic blocks and common areas. Accessible washrooms, designated seating areas, and elevators further enhance usability. Signage boards, anti-skid pathways, and adequate lighting promote safety, while assistive facilities such as wheelchair access and priority support ensure equal participation in academic and co-curricular activities. Through these measures, the college fosters a supportive and inclusive learning environment for everyone.

Dr. Soumendra Nath Bandopadhyay
Principal

A Unit of The Bhawanipur Gujarati Education Society
