

# BHAWANIPUR GLOBAL CAMPUS

(An Autonomous Institution)

## EFFORTS TO ENCOURAGE FINAL-YEAR STUDENTS TO APPEAR FOR THE GATE EXAMINATION

Bhawanipur Global Campus (An Autonomous Institution) undertakes several initiatives to motivate and prepare final-year students to appear for the GATE examination. Regular awareness sessions and orientation programs are conducted to highlight the importance of GATE for higher studies, research opportunities, and careers in public sector undertakings (PSUs). Faculty mentors provide academic guidance, recommend study resources, and help students create preparation plans.

Special coaching classes, problem-solving sessions, and mock tests are organized to strengthen conceptual understanding and improve exam readiness. The college also facilitates interactions with GATE-qualified alumni and experts who share strategies and insights. Through these efforts, the institution fosters a supportive environment that encourages students to pursue competitive examinations and advance their academic and professional goals.
